COMES NOW the above-captioned debtors and debtors in possession (the “Debtors”) and file this Application Pursuant to Bankruptcy Code Sections 327(a) and 328(a) for an Order Authorizing the Employment and Retention of Parkman Whaling LLC as Financial Advisor for the Debtors in Possession (the “Application”). In support of this Application, the Debtors state as follows:

I. JURISDICTION AND VENUE

1. This Court has jurisdiction over the Application pursuant to 28 U.S.C. §§ 157 and 1334. Venue is proper pursuant to 28 U.S.C. § 1408. This is a core proceeding pursuant to 28 U.S.C. § 157(b).

2. The statutory predicates for the relief sought herein are sections 327 and 328 of title 11 of the United States Code (the “Bankruptcy Code”).

II. BACKGROUND

A. The Debtors’ Businesses

3. On the date hereunder (the “Petition Date”), Edge Petroleum Corporation, a Delaware corporation (“Edge”), as well as various Edge subsidiaries, filed petitions pursuant to chapter 11 of the Bankruptcy Code with this Court. The Debtors continue to operate their businesses pursuant to Bankruptcy Code sections 1107(a) and 1108.

4. The Debtors are independent energy companies engaged in the exploration, development, acquisition and production of natural gas, natural gas liquids and crude oil. The Debtors’ operations are focused onshore in the United States, primarily in South and Southeast Texas, Southeast New Mexico, Mississippi, Arkansas and Louisiana. As of December 31, 2008, 83% of the Debtors’ proved reserves were in Texas, 6% were in Mississippi, 6% were in New Mexico and 5% were in south Louisiana, Michigan, Alabama and Arkansas, collectively.

5. As of June 30, 2009, the Debtors reported total assets of approximately \$264 million on their unaudited balance sheets, of which \$43.2 million were current assets. The remaining \$220.8 million in reported assets related primarily to property costs. The Debtors reported a consolidated net loss of approximately \$9.4 million for the three months ending June 30, 2009 and a consolidated net loss of approximately \$86.3 million for the six months ending June 30, 2009.

B. The Debtors' Texas Operations

6. As of December 31, 2008, the Debtors own interests in 110,297 gross (47,264 net) acres spread across numerous oilfields in south and southeastern Texas. The Debtors' Texas operations are focused predominantly in the Vicksburg, Queen City and Deep Frio producing trends. For the year ended December 31, 2008, the Debtors' Texas operations accounted for approximately 86% of the Debtors' total production.

C. The Debtors' Mississippi Operations

7. As of December 31, 2008, the Debtors own interests in 19,822 gross (10,848 net) acres in the Mississippi Interior Salt Basin in south central Mississippi and 26,273 gross (21,448 net) undeveloped acres in the Floyd Shale play. The Debtors acquired reserves and production in the Mississippi Interior Salt Basin as part of the Debtors' 2003 merger with Miller Exploration Company ("Miller"). Primary producing horizons in the Mississippi Interior Salt Basin around the Miller properties include the Hosston, Sligo, Rodessa and James Lime sections. For the year ended December 31, 2008, the Debtors' Mississippi operations accounted for approximately 4% of the Debtors' total production.

D. The Debtors' New Mexico Operations

8. As of December 31, 2008, the Debtors own interests in 99,837 gross (21,001 net) acres in southeastern New Mexico that the Debtors earned through a drilling obligation fulfilled during 2004 and 2005 and through subsequent purchases. Objectives in this area include shallow oil in the Yeso, San Andres, Queen and Grayburg formations and natural gas in the Atoka and Morrow formations. Additional objectives exist in the Strawn, Cisco, Wolfcamp and Devonian formations. For the year ended December 31, 2008, the Debtors' New Mexico operations accounted for approximately 8% of the Debtors' total production.

E. The Debtors' Louisiana, Michigan, and Arkansas Operations

9. As of December 31, 2008, the Debtors own interests in 1,583 gross (463 net) acres in south Louisiana primarily located in the Acadia and Lafayette Parishes and 5,661 gross (4,801 net) acres in the Fayetteville Shale play in south central Arkansas. The Debtors also acquired acreage and one producing well in south central Michigan as part of the 2003 merger with Miller. Production from wells in each of these areas represented less than 1% of the Debtors' total production in 2008.

F. Derivative Instruments and Price Risk Management Activities

10. The profitability of the Debtors' operations in any particular accounting period is directly related to the realized prices of oil and natural gas sold, the type and volume of the oil and natural gas produced, and the results of development, exploitation, acquisition, exploration and hedging activities. The realized price of oil is predominately influenced by global supply and demand, while natural gas prices fluctuate due to regional market conditions and other factors. The aggregate amount of oil and natural gas produced may fluctuate based on the success and timing of development and exploitation of oil and natural gas reserves pursuant to current reservoir management and the Debtors' ability to deliver production to a purchaser.

11. Due to the volatility of oil and natural gas prices, the Debtors periodically enter into price risk management transactions, including natural gas and crude oil swaps and collars, for a portion of their expected production. These swaps and collars, which have historically been placed with major financial institutions, are designed to mitigate our exposure to commodity price movement of anticipated sales of future production. The Debtors entered into most of these derivative transactions as a means to achieve a more predictable cash flow and reduce exposure from commodity price fluctuations.

G. The Debtors' Pre-petition Credit Facility

12. In January 2007, the Debtors entered into a credit agreement (the "Credit Facility") with Union Bank of California as agent and issuing lender (the "Agent") and other lenders party thereto (collectively and together with the Agent, the "Pre-petition Lenders"). The Credit Facility provided for a \$750 million revolving credit facility, with an initial borrowing base of \$320 million. The Credit Facility is secured by liens and security interests in substantially all of the Debtors' oil and gas properties and contains covenants, restrictions and events of default that are customary for similar facilities. The Credit Facility originally matured on January 30, 2011, but has since been amended to provide for a September 30, 2009 maturity date. As of September 30, 2009, \$226.5 million in total borrowings were outstanding under the Credit Facility.

13. The borrowing base under the Credit Facility was subsequently reduced to \$300 million in December 2007 and to \$250 million in May 2008. The Pre-petition Lenders agreed to defer conducting a borrowing base redetermination, originally scheduled for June 30, 2008, until October 31, 2008. On November 5, 2008 the Pre-petition Lenders agreed to defer conducting the borrowing base redetermination from October 31, 2008 until November 15, 2008. As consideration for this deferral, the Pre-petition Lenders placed a restriction on the Debtors' borrowing base, reducing it from \$250 million to \$240 million and effectively reducing the Debtors' available borrowing capacity under the Credit Facility from \$11 million to \$1 million, at which time \$239 million in total borrowings were outstanding under the Credit Facility.

14. On January 8, 2009, the Pre-petition Lenders notified the Debtors that the borrowing base was being reduced from \$240 million to \$125 million, resulting in the aggregate principal amount of advances outstanding under the Credit Facility exceeding the Debtors' borrowing base by approximately \$114 million. As a result, and pursuant to the terms of the

Credit Facility, the Debtors were required to take one or more of certain actions to timely eliminate such deficiency, including prepaying the borrowing base deficiency (with prepayments to be made in six equal monthly installments) or pledging additional oil and natural gas properties as collateral. The Debtors elected to prepay the borrowing base deficiency in six equal monthly installments, with the first \$19 million installment being due on February 9, 2009.

15. Both prior to and after this borrowing base redetermination, the Debtors evaluated strategic alternatives, including a capital restructuring. To assist in analyzing various financial and strategic alternatives, the Debtors retained the investment banking firm Parkman Whaling LLC ("Parkman Whaling") and the law firm Akin Gump Strauss Hauer & Feld LLP ("Akin Gump") to represent the Debtors generally as their primary outside counsel.

16. In a consent and agreement dated February 9, 2009, the Debtors and Pre-petition Lenders agreed to defer the payment of the first \$19 million installment to reduce the borrowing base deficiency until March 10, 2009, and to extend the due date of each subsequent installment by one month. The last of the six installment payments would be due and payable on August 10, 2009. In addition, the Debtors agreed to prepay \$5 million of the outstanding advances under the Credit Facility in two equal installments. The first \$2.5 million was paid on February 9, 2009 and the second \$2.5 million prepayment was paid on February 23, 2009. Each of the prepayments was to be applied on a pro rata basis to reduce the six \$19 million deficiency payments. In a second consent and agreement dated March 10, 2009, the Debtors and the Pre-petition Lenders agreed that the first \$19 million installment to reduce the borrowing base deficiency would be due and payable on March 17, 2009.

17. On March 16, 2009, the Debtors and the Pre-petition Lenders entered into that certain Consent and Amendment No. 4 to the Credit Facility, whereby the Debtors agreed (i) to

repay \$25 million of the outstanding advances under the Credit Facility, together with any accrued interest, on or before May 31, 2009 and to repay all remaining outstanding advances and accrued interest on or before June 30, 2009; and (ii) that it would be an event of default if the Debtors failed to execute and deliver, on or before May 15, 2009, a transaction that would result in proceeds sufficient to repay the Debtors' obligations under the Credit Facility on or before June 30, 2009.

18. On May 15, 2009, the Debtors and the Pre-petition Lenders entered into that certain Amendment No. 5 to the Credit Facility, which provided for the elimination of the provision in the Credit Facility that provided for an event of default if the Debtors failed to execute and deliver, on or before May 15, 2009, a transaction that would result in a sufficient amount to repay all of the Debtors' obligation under the Credit Facility on or before June 30, 2009.

19. On May 29, 2009, the Debtors and the Pre-petition Lenders agreed in that certain Amendment No. 6 to the Credit Facility to eliminate the May 31, 2009 payment obligation, with such payments together with all remaining principal and interest payments to be due on or before June 30, 2009.

20. On June 30, 2009, the Debtors and the Pre-petition Lenders agreed in that certain Amendment No. 7 to the Credit Facility to eliminate the June 30, 2009 payment obligation and requiring: (i) a payment of \$1,142,753.42 to be due on or before June 30, 2009; (ii) a payment of \$7.5 million to be due on or before July 10, 2009; and (iii) all remaining principal and interest payments to be due on or before July 31, 2009.

21. On July 31, 2009, the Debtors and the Pre-petition Lenders agreed in that certain Amendment No. 8 to the Credit Facility to eliminate the July 31, 2009 payment obligation, with

such payments together with all remaining principal and interest payments to be due on or before August 31, 2009.

22. On August 31, 2009, the Debtors and the Pre-petition Lenders agreed in that certain Amendment No. 9 to the Credit Facility to change the date on which all remaining principal and interest payments would be due from August 31, 2009 to on or before September 30, 2009.

H. The Debtors' Proposed Plan of Reorganization and Related Agreements

23. Faced with declining revenues and the need to address the near-term maturity of the Credit Facility and following an extensive pre-petition marketing effort, prior to the Petition Date, the Debtors engaged in discussions with the Pre-petition Lenders regarding a potential restructuring plan for the Debtors. After several weeks of active and arm's-length negotiations, the Debtors reached an agreement with a majority of the Pre-petition Lenders regarding the terms of a pre-arranged restructuring plan (the "Plan"), as evidenced by a certain Plan Support Agreement (the "Plan Support Agreement"). The Debtors' Plan and the Plan Support Agreement were filed by the Debtors on the Petition Date. The Debtors believe that the agreements reached with the Pre-petition Lenders and evidenced by the Plan and the Plan Support Agreement will significantly facilitate these chapter 11 cases and the Debtors' objective of preserving and enhancing value for the benefit of their stakeholders.

I. The Proposed Sale of Edge's Subsidiaries to PGP

24. On the Petition Date, the Debtors also sought Court approval of their proposed bidding procedures to effect the sale of substantially all of their assets to the third party who submits the highest and best offer to purchase the Equity Interests (the "Sale Motion"). In connection with the Sale Motion, on September 30, 2009, the Debtors and PGP Gas Supply Pool No. 3 LLC (the "Buyer") entered into a purchase and sale agreement (the "Purchase

Agreement”) whereby the Buyer would purchase and acquire the stock (the “Equity Interests”) of Edge’s subsidiaries¹ for a base purchase price of \$191 million, subject to adjustment as provided in the Purchase Agreement and also subject to higher and better offers.

III. RELIEF REQUESTED

25. By this Application, the Debtors request that the Court enter an order in substantially similar form to the proposed order attached hereto as **Exhibit A**, authorizing the Debtors to retain Parkman Whaling as their financial advisor for the purpose of advising the Debtors during all phases of these chapter 11 cases, pursuant to the terms of the agreement, dated January 13, 2009, attached hereto as **Exhibit B** (the “Engagement Letter”), which is incorporated herein by reference. In support of the Application, the Debtors submit the Affidavit of James E. Parkman in Support of the Application Pursuant to Bankruptcy Code Sections 327(a) and 328(a) for an Order Authorizing the Employment and Retention of Parkman Whaling LLC as Financial Advisor for the Debtors in Possession (the “Affidavit”), attached hereto as **Exhibit C**.

B. Necessity for Employment and Services to Be Rendered

26. The Debtors need professional assistance to reorganize their business operations and finances in order to maximize their value for the benefit of creditors. The Debtors seek to employ Parkman Whaling to provide necessary financial advisory services (“Financial Advisory Services”) as requested by the Debtors and their counsel. Subject to further order of this Court, Parkman Whaling is expected to render, among other services, the following Financial Advisory Services to the Debtors:

- (a) Perform initial review of the Debtors’ financial position, financial history, operations, competitive environment and assets;

¹ The Purchase Agreement contemplates the sale of the stock of the following entities: Edge Petroleum Exploration Company, Edge Petroleum Operating Company, Edge Petroleum Production Company, Miller Exploration Company, and Miller Oil Corporation.

- (b) Evaluate the Debtors' strategic options based upon Parkman Whaling's initial review;
- (c) Advise the Debtors as to potential mergers or acquisitions, and the sale or other disposition of any of the Debtors' assets or businesses;
- (d) Advise the Debtors generally as to available financing and capital restructuring alternatives, including recommendations of specific courses of action
- (e) Assist the Debtors with the development, negotiation and implementation of a restructuring plan (the "Plan"), including participation as an advisor to the Debtors in negotiations with creditors and other parties involved in a restructuring;
- (f) Assist the Debtors with the design of any debt and equity securities or other consideration to be issued in connection with a Plan;
- (g) Assist the Debtors in communications and negotiations with its constituents, including, creditors, employees, vendors, shareholders and other parties-in-interest in connection with any Plan;
- (h) Render, in accordance with our customary practice, an opinion (the "Opinion") as to whether the consideration (or exchange ratio) to be paid in a proposed Transaction is fair from a financial point of view to the Debtors or the shareholders of the Debtors, other than the Purchaser, as appropriate and as qualified, which Opinion will be dated as of a date reasonably proximate to the date of any related definitive agreement and will be prepared solely for the use and benefit of the Board of Directors of the Debtors; and
- (i) Render such other financial advisory and investment banking services as are customary and appropriate for the services described above or as may be mutually agreed upon by Parkman Whaling and the Debtors.

C. Parkman Whaling's Qualifications

27. Parkman Whaling is an energy investment banking firm focused on providing energy investment banking and financial advice to its clients. Prior to the Petition Date, on January 13, 2009, the Debtors engaged Parkman Whaling to provide energy investment banking and financial advice in connection with the Debtors' attempts to complete a strategic restructuring or recapitalization, sale or merger. In providing pre-petition services to the Debtors in connection with these matters, Parkman Whaling's professionals have worked closely with the Debtors' management and other professionals and have become familiar with the Debtors'

operations, debt structure, creditors and related matters. Accordingly, Parkman Whaling has significant relevant experience and expertise regarding the Debtors that will assist Parkman Whaling in providing efficient and effective services in these chapter 11 cases.

D. Terms of Parkman Whaling's Engagement

28. The Debtors understand that Parkman Whaling will bill for its services, subject to and in accordance with the provisions of the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, the Local Bankruptcy Rules of the United States Bankruptcy Court for the Southern District of Texas, and any order of this Court, on a monthly basis in accordance with its ordinary and customary fees set forth in the Engagement Letter (the "Compensation Structure"). The Debtors believe that such fees are reasonable and comparable to Parkman Whaling's ordinary and customary fees, and submit that such fees are reasonable in accordance with Bankruptcy Code section 330(a). Further, because the Debtors are seeking approval of the terms of Parkman Whaling's compensation under Bankruptcy Code section 328(a), the Debtors believe that Parkman Whaling's compensation should not be subject to any additional standard of review under Bankruptcy Code section 330.

29. The Compensation Structure² provides for the following compensation to Parkman Whaling:

- (a) *Monthly Fee:* Parkman Whaling shall be paid a monthly fee (the "Monthly Fee") each month in advance for its services of \$75,000 per month, plus Expenses ("Expenses" as defined in the Engagement Letter) that are incurred by Parkman Whaling on behalf of the Debtors. The Debtors shall pay the Monthly Fee on each monthly anniversary of the Effective Date of the Engagement Letter, in advance. The aggregate amount of the Monthly Fees paid to Parkman Whaling shall be credited against any other fees payable to Parkman Whaling under the engagement,

² This summary is solely for the ease of the Court and parties in interest. Please refer to the Engagement Letter for the full terms of the Compensation Structure. To the extent that this summary and the terms of the Engagement Letter are inconsistent, the terms of the Engagement Letter shall control.

provided that, the aggregate amount of any such credit shall in no event exceed \$500,000.

- (b) *Financing Transaction Fees:* If the Debtors require a Financing Transaction, the Debtors and Parkman Whaling will at such time negotiate to enter into a mutually agreeable written agreement concerning Parkman Whaling's services and fees for such services, which fees shall be on a mutually acceptable basis. For purposes of future negotiation it is currently anticipated that such fees will be in the approximate range of the sum of two percent (2%) of all secured debt committed, four percent (4%) of all subordinated debt committed, and six percent (6%) of all equity committed, which fee would be payable immediately out of the proceeds of such placement.
- (c) *Restructuring Transaction Fees:* In connection with the completion of any Restructuring Transaction, Parkman Whaling shall act as the Debtors' agent, and the Debtors shall pay a cash fee equal to \$1,000,000; such fee to be payable on the date of closing of such Restructuring Transaction.
- (d) *M&A Transaction Fees:* In connection with any M&A Transaction, Parkman Whaling shall act as the Debtors' non-exclusive agent. Upon the closing of an M&A Transaction, the Debtors shall pay Parkman Whaling, in cash, an M&A Transaction Fee based on Aggregate Gross Consideration ("AGC") equal to one percent (1%) of AGC. If there is more than one M&A Transaction consummated, Parkman Whaling will be compensated, without duplication of amounts based on the AGC of all M&A Transactions as set forth above.
- (e) *Break-up Fees:* In the event the Debtors enter into an agreement with respect to an M&A Transaction that is subsequently terminated during the term of the Engagement Letter or the Tail Period and the Debtors receive a "break-up" or "termination" fee, Parkman Whaling shall be entitled to a fee in an amount equal to 10% of such payment (but in no event greater than fifty percent (50%) of the fee that would have been payable to Parkman Whaling if the M&A Transaction had occurred).
- (f) *Other Services and Fees:* To the extent the Debtors request Parkman Whaling to perform additional services not otherwise identified herein, then the Debtors and Parkman Whaling will at such time negotiate to enter into a written agreement concerning Parkman Whaling's services and fees for such services, which fees shall be on a mutually acceptable basis.
- (g) *Expenses:* In addition to the fees described above, the Debtors agree to reimburse Parkman Whaling, upon request made from time to time and upon presentation of reasonably appropriate documentation, for the reasonable out-of-pocket expenses incurred by Parkman Whaling before termination in connection with the matters contemplated by the Engagement Letter, including, without limitation, the reasonable fees of counsel; provided that, such expenses shall not exceed \$30,000 without the Debtors' prior written consent. Out-of-pocket expenses generally include but are not limited to, travel expenses, duplicating charges, messenger services and long-distance telephone calls incurred by Parkman Whaling in connection with this engagement. For purposes of this Agreement and for the avoidance of doubt, out-of-pocket fees and

expenses which relate to the indemnity provided in paragraph 14 of the Standard Terms of Engagement shall be governed by and payable as set forth in such paragraph.

- (h) *Tail Period:* Parkman Whaling shall be entitled to the fees enumerated in any preceding subparagraph of this paragraph upon the occurrence of any Transaction specified in any such subparagraph with respect to which an agreement to consummate such Transaction was executed by the Debtors during the term or within the Tail Period. For purposes of this engagement, the term "Tail Period" shall mean the period commencing with the termination of this engagement and ending six (6) months after the date of termination of this engagement.

30. The Compensation Structure is consistent with and typical of compensation arrangements entered into by Parkman Whaling and other comparable firms in connection with rendering similar services under similar circumstances.

31. Based upon all of the foregoing, the Debtors believe that the employment of Parkman Whaling as their financial advisor would be appropriate and in the best interests of the Debtors and their estates. Debtors request that Parkman Whaling's retention as their financial advisor in connection with these chapter 11 cases be approved.

32. Parkman Whaling will maintain records in support of costs and expenses incurred in connection with the rendering of its services in these chapter 11 cases. As Parkman Whaling's compensation will be calculated and paid based on monthly fees and transaction fees, Parkman Whaling requests that it not be required to file time records, monthly fee requests or formal interim fee applications. Parkman Whaling will file a first and final fee application at the conclusion of the cases.

E. Parkman Whaling's Disinterestedness

33. As set forth in the Affidavit, Parkman Whaling is disinterested within the meaning of Bankruptcy Code section 101(14) as modified by section 1107(b). An employee of Parkman Whaling reviewed the names of the Debtors, non-debtor affiliates, the restructuring and other professionals, the 30 largest unsecured creditors of the Debtors, the Debtors' officers and

directors, known lien holders and secured creditors, significant equity holders, suppliers, adverse litigants and other known parties in interest. A listing of the parties reviewed is reflected on **Schedule 1** to the Affidavit. A summary of such relationships that Parkman Whaling identified during this process is set forth on **Schedule 2** to the Affidavit.

34. Parkman Whaling has not been requested by any party other than the Debtors to perform advisory services in connection with these cases and will decline any representation inconsistent with its engagement as financial advisors to the Debtors in these cases. No amounts are payable to Parkman Whaling by parties in interest in relation to matters involving the Debtors or this case.

35. Other than as disclosed herein and in the Affidavit, Parkman Whaling has no direct affiliation with any other creditor, party in interest, attorney, the U.S. Trustee, or employee of the Office of the U.S. Trustee and, to the best of its knowledge, does not have a disqualifying connection with any party in this case.

F. Retention Under Section 327(a) and Approval of Compensation Under 328(a) is Appropriate

36. The Debtors request approval of the terms of Parkman Whaling's engagement set forth in the Engagement Letter. Pursuant to Bankruptcy Code section 327, a debtor in possession,³ with the court's approval, may employ accountants and other professional persons that do not hold or represent an interest adverse to the estate and that are disinterested persons. 11 U.S.C. § 327(a). Bankruptcy Code section 328(a) provides, in part, that a debtor in possession "with the court's approval, may employ or authorize the employment of a professional person under section 327 ... on any reasonable terms and conditions of

³ Under Bankruptcy Code section 1107(a) the debtor in possession may perform all the duties and functions of the trustee, save those specified in section 1107(a).

employment, including on a retainer, on an hourly basis . . . or on a contingent fee basis.” 11 U.S.C. § 328(a). Bankruptcy Code section 328(a) enables a debtor in possession to retain professionals pursuant to specific fee arrangements to be determined at the time of the court’s approval of the retention, subject to reversal only if the terms are found to be “improvident in light of developments not capable of being anticipated at the time of the fixing of such terms and conditions.” *Id.*

37. The Debtors believe that the fee structure and indemnification provisions set forth in the Engagement Letter are reasonable terms and conditions of employment and should be approved under Bankruptcy Code section 328(a). The fee structure is reasonable in light of (a) industry practice, (b) market rates charged for comparable services both in and out of the chapter 11 context, (c) Parkman Whaling’s substantial experience with respect to financial advisory services, (d) preclusion of other employment, and (e) the nature and scope of work to be performed.

IV. NOTICE

38. No trustee, examiner, or statutory creditors’ committee has been appointed in these chapter 11 cases. Notice of this Motion has been provided to: (i) the United States Trustee for the Southern District of Texas; (ii) the Debtors’ 30 largest unsecured creditors (on a consolidated basis); (iii) the Agent for the Pre-petition Lenders; (iv) the Securities and Exchange Commission; (v) the Office of the United States Attorney for the Southern District of Texas; (vi) the Internal Revenue Service; and (vii) persons who have filed a request for notice pursuant to Bankruptcy Rule 2002 and such other government agencies to the extent required by the Bankruptcy Rules and Bankruptcy Local Rules. The Debtors submit that no other or further notice need be provided.

V. NO PREVIOUS REQUEST

39. No previous request for the relief sought herein has been made to this or any other Court.

VI. CONCLUSION

WHEREFORE, the Debtors respectfully request that the Court enter an order (a) granting the Application, and (b) granting such other and further relief as the Court deems appropriate.

EXHIBIT B
ENGAGEMENT LETTER

PARKMAN WHALING LLC

Effective as of January 13, 2009

Mr. John W. Elias
Chief Executive Officer
Edge Petroleum Corporation
1301 Travis Street, Suite 2000
Houston, Texas 77002

Dear Mr. Elias:

Thank you for selecting Parkman Whaling LLC ("Parkman Whaling") to serve as the financial advisor to Edge Petroleum Corporation (collectively, with its subsidiaries, the "Company"). This letter and the attached Standard Terms of Engagement, which are incorporated herein by this reference (collectively, the "Agreement"), set forth our mutual understanding and agreement as to the terms of our engagement. If appropriate in connection with performing its services for the Company hereunder, Parkman Whaling may utilize the services of one or more of its affiliates, including but not limited to Parkman Whaling Securities LLC, in which case the references herein to Parkman Whaling shall include such affiliates.

- 1) Scope of Engagement. Subject to and in accordance with the Standard Terms of Engagement, Parkman Whaling will assist the Company as its investment banker, financial advisor and agent in connection with any Transaction (as such terms are defined in this Agreement) or such other services as the Company requires hereunder. It is understood and agreed that the Company, its board or any committee thereof may engage an additional financial advisor in its sole discretion including in the event any conflict or fiduciary issues make such engagement appropriate. Upon execution of this Agreement and receipt of the initial Monthly Fee (defined below), Parkman Whaling will commence its initial review of the Company's financial position, financial history, operations, competitive environment, and assets to assist the Company in determining the best means to implement the most appropriate strategy, subject to approval by the Board of Directors of the Company. In connection with our role as your investment banker and financial advisor, we would expect to, as requested:
 - a) Evaluate the Company's strategic options based upon Parkman Whaling's initial review;
 - b) Advise the Company as to potential mergers or acquisitions, and the sale or other disposition of any of the Company's assets or businesses;
 - c) Advise the Company generally as to available financing and capital restructuring alternatives, including recommendations of specific courses of action;
 - d) Assist the Company with the development, negotiation and implementation of a restructuring plan (the "Plan"), including participation as an advisor to the Company in negotiations with creditors and other parties involved in a restructuring;
 - e) Assist the Company with the design of any debt and equity securities or other consideration to be issued in connection with a Plan;

- f) Assist the Company in communications and negotiations with its constituents, including, creditors, employees, vendors, shareholders and other parties-in-interest in connection with any Plan;
 - g) Render, in accordance with our customary practice, an opinion (the "Opinion") as to whether the consideration (or exchange ratio) to be paid in a proposed Transaction is fair from a financial point of view to the Company or the shareholders of the Company, other than the Purchaser, as appropriate and as qualified, which Opinion will be dated as of a date reasonably proximate to the date of any related definitive agreement and will be prepared solely for the use and benefit of the Board of Directors of the Company; and
 - h) Render such other financial advisory and investment banking services as are customary and appropriate for the services described above or as may be mutually agreed upon by Parkman Whaling and the Company.
- 2) Compensation. In consideration of our services pursuant to this Agreement, Parkman Whaling shall be entitled to receive, and the Company shall pay to Parkman Whaling, the following compensation:
- a) *Monthly Fee:* Parkman Whaling shall be paid a monthly fee (the "Monthly Fee") each month in advance for its services of \$75,000 per month, plus Expenses ("Expenses" as defined herein) that are incurred by Parkman Whaling on behalf of the Company. Upon execution of this Agreement, the Company shall pay Parkman Whaling its initial Monthly Fee of \$75,000. The Company shall pay the Monthly Fee on each monthly anniversary of the Effective Date of this Agreement, in advance. The aggregate amount of the Monthly Fees paid to Parkman Whaling shall be credited against any other fees payable to Parkman Whaling under this Agreement, provided that, the aggregate amount of any such credit shall in no event exceed \$500,000.
 - b) *Financing Transaction Fees:* If the Company requires a Financing Transaction, the Company and Parkman Whaling will at such time negotiate to enter into a mutually agreeable written agreement concerning Parkman Whaling's services and fees for such services, which fees shall be on a mutually acceptable basis. For purposes of future negotiation it is currently anticipated that such fees will be in the approximate range of the sum of two percent (2%) of all secured debt committed, four percent (4%) of all subordinated debt committed, and six percent (6%) of all equity committed, which fee would be payable immediately out of the proceeds of such placement.
 - c) *Restructuring Transaction Fees:* In connection with the completion of any Restructuring Transaction, Parkman Whaling shall act as the Company's agent, and the Company shall pay a cash fee equal to \$1,000,000; such fee to be payable on the date of closing of such Restructuring Transaction.
 - d) *M&A Transaction Fees:* In connection with any M&A Transaction, Parkman Whaling shall act as the Company's non-exclusive agent. Upon the closing of an M&A Transaction, the Company shall pay Parkman Whaling, in cash, an M&A Transaction Fee based on Aggregate Gross Consideration (defined below)("AGC") equal to one percent (1%) of AGC. If there is more than one M&A Transaction consummated, Parkman Whaling will be compensated, without duplication of amounts based on the AGC of all M&A Transactions as set forth above.

- e) *Break-up Fees:* In the event the Company enters into an agreement with respect to an M&A Transaction that is subsequently terminated during the term of this Agreement or the Tail Period and the Company receives a "break-up" or "termination" fee, Parkman Whaling shall be entitled to a fee in an amount equal to 10% of such payment (but in no event greater than fifty percent (50%) of the fee that would have been payable to Parkman Whaling if the M&A Transaction had occurred).
- f) *Other Services and Fees:* To the extent the Company requests Parkman Whaling to perform additional services not otherwise identified herein, then the Company and Parkman Whaling will at such time negotiate to enter into a written agreement concerning Parkman Whaling's services and fees for such services, which fees shall be on a mutually acceptable basis.
- g) *Expenses:* In addition to the fees described above, the Company agrees to reimburse Parkman Whaling, upon request made from time to time and upon presentation of reasonably appropriate documentation, for the reasonable out-of-pocket expenses incurred by Parkman Whaling before termination in connection with the matters contemplated by this Agreement, including, without limitation, the reasonable fees of counsel; provided that, such expenses shall not exceed \$30,000 without the Company's prior written consent. Out-of-pocket expenses generally include but are not limited to, travel expenses, duplicating charges, messenger services and long-distance telephone calls incurred by Parkman Whaling in connection with this engagement. For purposes of this Agreement and for the avoidance of doubt, out-of-pocket fees and expenses which relate to the indemnity provided in paragraph 14 of the Standard Terms of Engagement shall be governed by and payable as set forth in such paragraph.
- h) *Tail Period:* Parkman Whaling shall be entitled to the fees enumerated in any preceding subparagraph of this paragraph upon the occurrence of any Transaction specified in any such subparagraph with respect to which an agreement to consummate such Transaction was executed by the Company during the term or within the Tail Period. For purposes of this Agreement, the term "Tail Period" shall mean the period commencing with the termination of this Agreement and ending six (6) months after the date of termination of this Agreement.
- i) *Assignment: Association or Affiliation of Broker/Dealer:* Neither Parkman Whaling nor the Company may assign this Agreement without the prior written consent of the other party, which consent may be given or withheld entirely within the discretion of the non-assigning party. To this end, if Parkman Whaling, in its sole discretion, determines that the transaction ultimately contemplated requires a registered broker/dealer in order to comply with applicable laws, Parkman Whaling may assign the compensation set forth in this Agreement to any person or entity that is a broker-dealer registered with the Securities Exchange Commission and a member of the Financial Industry Regulatory Authority (a "registered broker-dealer"), subject to the approval of the Company, which approval may not be unreasonably withheld. Notwithstanding the foregoing, Parkman Whaling may assign the compensation set forth herein at any time to any majority-controlled subsidiary or affiliate of Parkman Whaling that is a registered broker-dealer.
- j) *Non-Duplication of Fees.* In no event shall a Transaction or a series of Transactions be deemed more than one of the following (i) a Financing Transaction, (ii) a Restructuring

Transaction or (iii) an M&A Transaction, it being understood and agreed that the Company will not be required to pay more than one of the above fees for a particular transaction or series of transactions.

- k) *Crimson/Oaktree Matters*. Notwithstanding any provision to the contrary in this Agreement, Parkman Whaling acknowledges and agrees that no fee or other amount shall be payable by the Company hereunder as the result of the execution of any agreement or consummation by Crimson Exploration Inc. ("Crimson") and/or Oaktree Capital ("Oaktree") of any merger, consolidation, business combination, asset acquisition or other M&A Transaction or Restructuring Transaction involving the Company or the acquisition of any of the Company's debt or equity securities or any other Financing Transaction, in each case, whether or not effected pursuant to any Chapter 11 or other insolvency proceedings. The Company acknowledges and agrees that Parkman Whaling's engagement will not include the evaluation of, or advice with respect to, any such matter unless later agreed in writing by Parkman Whaling and the Company.

The Company and Parkman Whaling acknowledge and agree that the hours worked, the results achieved and the ultimate benefit to the Company, of the work performed, in each case, in connection with this engagement, may vary, and that the Company, its shareholders and Parkman Whaling have taken this into account in setting the fees hereunder.

- 3) Execution. If the terms hereof correctly set forth our understanding and agreement, please so indicate by signing and returning the enclosed copy of this Agreement, and making payment immediately by wire transfer the initial Monthly Fee of \$75,000 according to the instructions on our invoice attached, and signing and retaining a duplicate for your records.

This Agreement shall be effective as of January 13, 2008 (the "Effective Date").

Very truly yours,

PARKMAN WHALING LLC

By: 

James E. Parkman

The foregoing Agreement (including the attached Standard Terms of Engagement) have been read, understood, accepted and approved, and the undersigned does hereby agree to retain Parkman Whaling LLC upon the terms and provisions contained herein.

STANDARD TERMS OF ENGAGEMENT

EDGE PETROLEUM CORPORATION

1. Transaction. As used herein the term "Transaction" shall mean, collectively:

An "M&A Transaction" as used herein shall mean a transaction that is not a Restructuring Transaction or a Financing Transaction and which is (a) a merger, consolidation, business combination or other similar transaction pursuant to which control of the Company is acquired by (other than solely through a change in the composition of the board of directors), or the Company is combined with, any person, group of persons, partnership, corporation or other entity (including, without limitation, existing creditors, employees, affiliates, and/or shareholders) (collectively, an "Investor") with the result being that the holders of shares of the Company's capital stock and existing creditors immediately prior thereto own less than 50% of the capital stock of the surviving entity immediately thereafter; or (b) the acquisition, directly or indirectly, by an Investor (or by one or more persons acting together with an Investor pursuant to a written agreement or otherwise), in a single transaction or a series of transactions, of any material portion of the assets or operations of the Company.

A "Financing Transaction" as used herein shall mean the issuance, whether public or private, of debt and/or equity securities for or on behalf of the Company (whether to raise funds, refinance outstanding securities or exchange securities or any combination thereof) or such other financing of any type raised to complete any other Transaction.

A "Restructuring Transaction" as used herein shall mean (a) any amendment, modification or other changes in or to the instruments or agreements governing, or the terms or provisions of, any of the Company Obligations, the effect of which is to materially reduce the outstanding principal balance of such Company Obligations or the issuer's cash debt service requirement in respect of such Company Obligations or any other material modification that in each case allows the Company to restructure (either in-court or out-of-court) on a stand-alone basis whereby a majority of the Company's common equity (on a fully diluted basis) is thereafter owned by the existing creditors and/or shareholders of the Company immediately prior to such restructuring; (b) any transaction in which the requisite consent for a reorganization or restructuring of the Company Obligations are obtained either out-of-court or pursuant to a plan under the Bankruptcy Code (a "Plan"); or (c) any other reorganization of the Company effected pursuant to a plan of reorganization confirmed in accordance with Chapter 11 of the Bankruptcy Code.

"Company Obligations" as used herein shall mean any of the Company's funded debt obligations, customer contracts or trade credit (including any preferred equity) outstanding as of the Effective Date.

2. Aggregate Gross Consideration ("AGC"). For the purpose of calculating the M&A Transaction Fee, the term "Aggregate Gross Consideration" shall mean the total proceeds and other consideration received, or to be received, without duplication of amounts, by the Company and/or its equity holders in connection with an M&A Transaction, including, without limitation, cash, notes and securities; payments made in installments and Contingent Payments (as defined below). In addition, if any of the Company's liabilities are assumed, decreased or paid off in conjunction with an M&A Transaction, the Aggregate Gross Consideration will be increased to reflect the face value of any such liabilities. Contingent Payments shall be defined as the fair market value of consideration received or receivable by the Company or current equity holders in the form of "earn-outs", or other contingent payments based upon the future performance of the Company or any of its businesses or assets.

For the purpose of calculating the Aggregate Gross Consideration received in an M&A Transaction, any securities (other than a promissory note) will be valued at the time of closing of the M&A Transaction (without regard to any restrictions on transferability) as follows: (i) if such securities are traded on a stock exchange, the securities will be valued at the average last sale or closing price for the ten trading days immediately prior to the closing of the M&A Transaction; (ii) if such securities are traded primarily in over-the-counter transactions, the securities will be valued at the mean of the closing bid and asked quotations similarly averaged over a ten trading day period immediately prior to the closing of the M&A Transaction; and (iii) if such securities have not been traded prior to the closing of the M&A Transaction, Parkman Whaling will prepare a valuation of the securities, and Parkman Whaling and the Company will negotiate in good faith to agree on a fair valuation thereof for the purposes of calculating the M&A Transaction Fee. The value of any purchase money or other promissory notes shall be deemed to be the face amount thereof, discounted based on a mutually agreeable discount rate to take into account the nature of the deferred payment. In the event the Aggregate Gross Consideration includes any Contingent Payments, Parkman Whaling shall be paid its M&A Transaction Fees upon the receipt of the Contingent Payments by the Company and/or its current equity holders rather than at the closing of the M&A Transaction.

3. Advice. Except as otherwise specified in this Agreement and except as may be required by law or court process or stock exchange rule, any opinions or advice (whether written or oral) rendered by Parkman Whaling pursuant to this Agreement are intended solely for the benefit and use of the Company and its board of directors and senior management, and may not be publicly disclosed in any manner or made available to third parties (other than the Company's management, directors, advisors, accountants and attorneys) without the prior written consent of Parkman Whaling, which consent shall not be unreasonably withheld. Notwithstanding the foregoing, the Opinion will not be disclosed or given to any other

person without Parkman Whaling's consent which will not be unreasonably withheld, provided that, if reference to the Opinion is required by law or regulation to be made in a proxy statement, Schedule 14D-9 or other disclosure schedule or form filed with the SEC or offer to purchase, Parkman Whaling will not unreasonably withhold its consent thereto so long as the full text of the Opinion is reproduced therein and Parkman Whaling approves in advance the text of any accompanying disclosure.

4. Credit. Parkman Whaling is hereby authorized, upon the consummation of a Transaction, at its own expense to place a customary "tombstone" advertisement or similar announcement in such form and in such media as Parkman Whaling deems appropriate.
5. Termination. The Company may terminate this Agreement at any time and Parkman Whaling may terminate this Agreement at any time upon 30 days written notice. In such event, it is understood and agreed that (i) paragraph 2 of the related letter agreement shall survive termination of this Agreement until the expiration of the Tail Period with the exception that (a) paragraphs 2(a), (b), (c), (d), (e), (f) and (h) of the related letter agreement shall not survive termination by Parkman Whaling and (b) the first three sentences of Section 2(a) shall not survive a termination of this Agreement by either Parkman Whaling or the Company and (ii) all paragraphs of the Standard Terms of Engagement shall survive the termination of this Agreement.
6. Choice of Law. **THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF DELAWARE WITHOUT REGARD TO SUCH STATE'S RULES CONCERNING CONFLICTS OF LAW.**
7. Other Services. To the extent Parkman Whaling is requested by the Company to perform any financial advisory or investment banking services which are not within the scope of this assignment, such fees shall be mutually agreed upon by Parkman Whaling and the Company in writing, in advance, depending on the level and type of services required.
8. Authority. The Company has all requisite corporate power and authority to enter into this Agreement. The Company and Parkman Whaling have fully reviewed this Agreement, have obtained counsel on its terms, and have participated in the drafting of this Agreement such that it shall not be construed against any one party. This Agreement has been duly and validly authorized by all necessary corporate action on the part of the Company and has been duly executed and delivered by the Company and constitutes a legal, valid and binding agreement of the Company, enforceable in accordance with its terms.
9. Counterparts. For the convenience of the parties, any number of counterparts of this Agreement may be executed by the parties hereto. Each such counterpart shall be, and shall be deemed to be, an original instrument, but all such counterparts taken together shall constitute one and the same Agreement.

10. Information. In connection with Parkman Whaling's activities on the Company's behalf, the Company will cooperate with Parkman Whaling and will furnish, or cause to be furnished, to Parkman Whaling any and all information and data concerning the Company (the "Information") which Parkman Whaling reasonably deems appropriate, and will provide Parkman Whaling with reasonable access to the Company's officers, directors, employees, appraisers, independent accountants, legal counsel and other consultants and advisors. The Company acknowledges and agrees that, in rendering its services hereunder, Parkman Whaling may be using and relying on the Information (and information available from public sources and other sources deemed reliable by Parkman Whaling) without independent verification thereof by Parkman Whaling or independent appraisal by Parkman Whaling of any of the Company's assets. Parkman Whaling does not assume responsibility for the accuracy or completeness of the Information or any other information regarding the Company.

Parkman Whaling agrees to keep all Information confidential except Information that (i) is or becomes generally available to the public (other than as a result of disclosure by Parkman Whaling), (ii) was available to Parkman Whaling or its representatives on a non-confidential basis prior to its disclosure by the Company or any Investor, (iii) becomes available to Parkman Whaling or its representatives on a non-confidential basis from a person other than the Company or any Investor who, to the knowledge of Parkman Whaling, is not bound by a confidentiality agreement with the Company or any Investor or otherwise prohibited from transferring such information to Parkman Whaling or its representatives, (iv) is disclosed by Parkman Whaling to an Investor in the course of performance of its functions under this Agreement which the Company agrees may be disclosed or (v) Parkman Whaling or any of its representatives is requested pursuant to, or required by, law, regulation, legal process or regulatory authority to disclose.

11. Role as Advisor. In performing its services under this Agreement, Parkman Whaling is not assuming any responsibility for the Company's decision to pursue (or not to pursue) any business strategy or to effect (or not to effect) any Transaction. Except as otherwise provided in this Agreement, Parkman Whaling shall not have any obligation or responsibility to provide "crisis management" for or business consultant services to the Company, and shall have no responsibility for designing or implementing operating, organizational, administrative, cash management or liquidity improvements.
12. Successors. This Agreement shall be binding upon the parties hereto and their respective successors and permitted assigns. Nothing in this Agreement, express or implied, however, is intended to confer and does not confer on any person or entity, other than the parties hereto and their respective successors and permitted assigns and, to the extent expressly set forth herein, the Indemnified Parties, any rights or remedies under or by reason of this Agreement or as a result of the services to be rendered by Parkman Whaling hereunder.

13. Miscellaneous. If it is found in a final judgment by a court of competent jurisdiction (not subject to further appeal) that any term or provision hereof is invalid or unenforceable, (i) the remaining terms and provisions hereof shall be unimpaired and shall remain in full force and effect and (ii) the invalid or unenforceable provision or term shall be replaced by a term or provision that is valid and enforceable and that comes closest to expressing the intention of such invalid or unenforceable term or provision. This Agreement embodies the entire agreement and understanding of the parties here to and supersedes any and all prior agreements, arrangements and understanding relating to the matters provided for herein. No alteration, waiver, amendment, change or supplement hereto shall be binding or effective unless the same is set forth in writing signed by a duly authorized representative of each party.

The parties understand that Parkman Whaling is being engaged hereunder to provide the services described above and in the related letter solely to the Company, and that Parkman Whaling is not acting as an agent or fiduciary of, and shall have no duty of loyalty to, the equity holders or creditors of the Company or any other third parties in connection with this engagement. The Company agrees that it will be solely responsible for ensuring that any Transaction or Financing Transaction complies with applicable law.

14. Indemnification. As a material part of the consideration for the agreement of Parkman Whaling to furnish its services under the Agreement, the Company agrees to indemnify and hold harmless Parkman Whaling and its affiliates, and their respective past, present and future directors, officers, shareholders, employees, agents, and controlling persons within the meaning of either the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended (collectively, the "Indemnified Parties"), to the fullest extent lawful, from and against any and all losses, claims, damages or liabilities (or actions in respect thereof), joint or several, arising out of or related to the Agreement, any actions taken or omitted to be taken by an Indemnified Party (including acts or omissions constituting ordinary negligence) in connection with the Agreement, or any Transaction or proposed Transaction contemplated thereby. In addition, the Company agrees to reimburse the Indemnified Parties for any legal or other expenses incurred by them as to which reasonably satisfactory documentation is provided to the Company and to the extent such expenses relate to matters as to which it is entitled to indemnification hereunder; provided, however, the Company shall not be liable under the foregoing indemnity and reimbursement agreement for any loss, claim, damage or liability which is finally judicially determined to have resulted primarily from the bad faith, willful misconduct or gross negligence of any Indemnified Party.

If for any reason the foregoing indemnification is unavailable to any Indemnified Party or insufficient to hold it harmless, the Company shall contribute to the amount paid or payable by the Indemnified Party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative benefits received (or anticipated to

be received) by the Company, on the one hand, and Parkman Whaling, on the other hand, in connection with the actual or potential Transaction and the services rendered by Parkman Whaling. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or otherwise, then the Company shall contribute to such amount paid or payable by any Indemnified Party in such proportion as is appropriate to reflect not only such relative benefits, but also the relative fault of the Company, on the one hand, and Parkman Whaling, on the other hand, in connection therewith, as well as any other relevant equitable considerations. Notwithstanding the foregoing, the aggregate contribution of all Indemnified Parties to any such losses, claims, damages, liabilities and expenses shall not exceed the amount of fees actually received by Parkman Whaling pursuant to the Agreement.

The Company shall not effect any settlement or release from liability in connection with any matter for which an indemnified party would be entitled to indemnification from the Company, unless such settlement or release contains a release of the Indemnified Parties reasonably satisfactory in form and substance to Parkman Whaling. The Company shall not be required to indemnify any Indemnified Party for any amount paid or payable by such party in the settlement or compromise of any claim or action without the Company's prior written consent.

Prior to entering into any agreement or arrangement with respect to, or effecting, any (i) merger, statutory exchange or other business combination or proposed sale, exchange, dividend or other distribution or liquidation of all or a significant proportion of its assets, or (ii) significant recapitalization or reclassification of its outstanding securities that does not directly or indirectly provide for the assumption of the obligations of the Company set forth in this Agreement, the Company will notify Parkman Whaling in writing thereof (if not previously so notified) and, if requested by Parkman Whaling, shall arrange in connection therewith alternative means of providing for the obligations of the Company set forth herein, including the assumption of such obligations by another party, insurance, surety bonds or the creation of an escrow, in each case in an amount and upon terms and conditions satisfactory to Parkman Whaling.

The Company further agrees that neither Parkman Whaling nor any other Indemnified Party shall have any liability, regardless of the legal theory advanced, to the Company or any other person or entity (including the Company's equity holders and creditors) related to or arising out of Parkman Whaling's engagement, except for any liability for losses, claims, damages, liabilities or expenses incurred by the Company which are finally judicially determined to have resulting primarily from the bad faith, willful misconduct or gross negligence of any Indemnified Party.

The indemnity reimbursement, contribution and other obligations and agreements of the Company set forth herein shall apply to any modifications of the Agreement, shall be in addition to any liability which the Company may otherwise have, and shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Company and each Indemnified Party. The foregoing provisions shall survive the consummation of any Transaction and any termination of the relationship established by the Agreement.

AFFIDAVIT

**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE SOUTHERN DISTRICT OF TEXAS
CORPUS CHRISTI DIVISION**

In Re: EDGE PETROLEUM CORP., et al., Debtors.	§ § § § §	Case No. 09-() Jointly Administered Chapter 11
--	-----------------------	---

**AFFIDAVIT OF JAMES E. PARKMAN IN SUPPORT OF THE APPLICATION
PURSUANT TO BANKRUPTCY CODE SECTIONS 327(a) AND 328(a)
FOR AN ORDER AUTHORIZING THE EMPLOYMENT AND
RETENTION OF PARKMAN WHALING LLC AS
FINANCIAL ADVISOR FOR THE DEBTORS IN POSSESSION**

I, James E. Parkman, being duly sworn, declare the following under penalty of perjury:

1. I am the Chairman of Parkman Whaling LLC. ("Parkman Whaling" or the "Applicant"). I am duly authorized to make this Affidavit on behalf of Parkman Whaling. I submit this Affidavit in support of the application (the "Application") for an order authorizing the employment and retention of Parkman Whaling as financial advisor for the above-captioned debtors and debtors in possession (the "Debtors"), filed contemporaneously herewith. Except as otherwise noted, I have personal knowledge of the matters set forth herein and, if called as a witness, would testify competently thereto.

2. Parkman Whaling is an investment banking and financial advisory firm. Parkman Whaling maintains an office at 600 Travis, Suite 600, Houston, Texas 77002.

3. Parkman Whaling, and the professionals that it employs, are qualified to represent the Debtors in the matters for which Parkman Whaling is proposed to be retained.

4. Parkman Whaling is uniquely qualified to advise the Debtors in connection with their strategic alternatives and restructuring transactions in the above-captioned chapter 11 cases

(the “Cases”). Parkman Whaling’s professionals have extensive experience in matters involving complex financial restructurings, as well as transactions in the energy industry. Parkman Whaling is an investment banking and financial advisory firm with expertise in mergers and acquisitions, restructurings, capital raising, and other strategic advisory services. Parkman Whaling and/or its professionals have provided financial advisory services to a diverse group of debtors, creditors, and bondholders in the chapter 11 cases of many companies, including, among others: Forcenergy Inc.; Coho Resources; Texas Petrochemicals; Panaco Inc.; Southern Minerals Corporation; Agrifos Fertilizer; EOTT Energy Partners; Classic Communications; MOLL Inc.; KCS Energy; Costilla Energy; First Wave Marine; Friede Goldman Halter; Storm Cat Energy; and Clearwater Natural Resources, L.P. (current debtor representation).

5. I will co-lead all of the day-to-day aspects of this assignment along with my partner Thomas B. Hensley. I have extensive transactional experience in a comprehensive range of complex chapter 11 engagements of energy companies. During my twenty-seven year career as an investment banker, I have advised public and private companies, private equity sponsors, hedge funds, purchasers of distressed assets and businesses. Prior to my investment banking career I have worked as an analyst at Saxon Energy, an analyst at Texas Eastern and an economist for the Federal Reserve. In addition, I have extensive experience in the energy industry and am a recognized leader in that area. I am the co-founder and have been the Chairman of Parkman Whaling since its inception in July 2007 and was previously a co-founder and President of Petrie Parkman Inc.

6. Parkman Whaling is disinterested within the meaning of Bankruptcy Code section 101(14) as modified by section 1107(b) because it does not hold or represent, and while

employed by the Debtors will not hold or represent, an interest materially adverse to the Debtors, their estates, or any class of creditors.

7. The Applicant has made the following investigation of disinterestedness prior to submitting this Declaration. The Applicant has undertaken a full and thorough review of its client list which contains the names of clients and other parties interested in particular matters. In particular, an employee of the Applicant, under my supervision, compared the names of the debtors, non-debtor affiliates, the Debtors' restructuring and other professionals, the largest unsecured creditors of the Debtors, the Debtors' officers and directors, known lien holders and secured creditors, significant equity holders, suppliers, adverse litigants and other known parties in interest to the Applicant's client list. A listing of the parties reviewed is reflected on **Schedule 1** to this Affidavit. A summary of such relationships that the Applicant identified during this process is set forth on **Schedule 2** to this Affidavit. If any new relevant facts or relationships are discovered or arise, the Applicant will promptly file a Bankruptcy Rule 2014(a) Supplemental Affidavit.

8. Based on the results of its review of parties-in-interest associated with the Debtors, the Applicant does not have a relationship with any of the parties on Schedule 1 in matters related to these proceedings. The Applicant has provided and could reasonably be expected to continue to provide services unrelated to the Debtors' cases for the various entities shown on Schedule 2. The Applicant's assistance to these parties has been related to providing various consulting services in financial and due diligence matters. To the best of my knowledge, no services have been provided to the parties-in-interest which involve their rights in the Debtors' cases, nor does the Applicant's involvement in this case compromise its ability to continue such consulting services.

9. The Applicant has performed in the past, and may perform in the future, advisory consulting services for various attorneys and law firms, and has been represented by several attorneys and law firms, some of whom may be involved in these proceedings. In addition, the Applicant has in the past, may currently, and will likely in the future be working with or against other professionals involved in these cases in matters unrelated to the Debtors and these cases. Based on our current knowledge of the professionals involved, and to the best of my knowledge, none of these relationships create interests materially adverse to the Debtors in matters upon which the Applicant is to be employed, and none are in connection with these cases.

10. The Applicant does not believe it is a “creditor” of any of the Debtors within the meaning of Bankruptcy Code section 101(10). Further, neither I nor any other partner or principal, to the best of my knowledge, is a holder of any shares of the Debtors’ stock.

11. With the exception of the matters disclosed herein, Parkman Whaling has no direct affiliation with any creditor, other party in interest, the United States Trustee, or any person employed in the Office of the United States Trustee. Accordingly, to the best of Parkman Whaling’s knowledge, the firm has no disqualifying connection with any party in this case.

12. The services to be rendered by the Applicant in this case, among others, are:

- a. Review and analyze the Debtors’ business, operations and financial projections;
- b. Evaluate the Debtors’ strategic options based upon Parkman Whaling’s initial review;
- c. Advise the Debtors as to potential mergers or acquisitions, and the sale or other disposition of any of the Debtors’ assets or businesses;
- d. Advise the Debtors generally as to available financing and capital restructuring alternatives, including recommendations of specific courses of action;
- e. Assist the Debtors with the development, negotiation and implementation of a restructuring plan (the “Plan”), including participation as an advisor to the Debtors in negotiations with creditors and other parties involved in a restructuring;

- f. Assist the Debtors with the design of any debt and equity securities or other consideration to be issued in connection with a Plan;
- g. Assist the Debtors in communications and negotiations with its constituents, including, creditors, employees, vendors, shareholders and other parties-in-interest in connection with any Plan;
- h. Render, in accordance with our customary practice, an opinion (the "Opinion") as to whether the consideration (or exchange ratio) to be paid in a proposed Transaction is fair from a financial point of view to the Debtors or the shareholders of the Debtors, other than the Purchaser, as appropriate and as qualified, which Opinion will be dated as of a date reasonably proximate to the date of any related definitive agreement and will be prepared solely for the use and benefit of the Board of Directors of the Debtors; and
- i. Render such other financial advisory and investment banking services as are customary and appropriate for the services described above or as may be mutually agreed upon by Parkman Whaling and the Debtors.

13. Subject to Court approval, and in accordance with Bankruptcy Code section 330, the Applicant will be compensated at its regular monthly and transaction fees and reimbursed for expenses incurred herein from the assets of the Debtors' estates.

14. Pre-petition, on January 13, 2009, the Debtors engaged Parkman Whaling and have been paying Parkman Whaling a monthly fee of \$75,000 each month, in advance, plus Expenses, as such term is defined in the engagement agreement attached to the Application as Exhibit A (the "Engagement Letter") In the year prior to the Petition Date, Parkman Whaling received \$750,000 in fees and \$50,742.65 in expense reimbursements from the Debtors for services performed and expenses incurred in representing the Debtors. The Debtors do not owe Parkman Whaling any amounts with respect to pre-petition services rendered.

15. Post-petition, subject to this Court's approval, Parkman Whaling seeks to continue being paid the monthly and transaction fees as set forth in the Engagement Letter, without submission of monthly fee requests or formal fee applications.

16. The rates set forth in the Engagement Letter are the Applicant's standard rates for work of this nature and are comparable to other financial advisors in this market. These rates are

set at a level designed to compensate the Applicant for the work of its consultants and to cover fixed and routine overhead expenses. These rates are no less favorable than those customarily employed by the Applicant and generally accepted by the Applicant's clients. It is the Applicant's policy to charge its clients in all areas of practice for all other out-of-pocket expenses incurred in connection with the client's case. The expenses charged to clients include, among other things, express mail and mass mail postage charges, special or hand-delivery charges, photocopying charges, expenses for computerized research, transcription costs, as well as non-ordinary overhead expenses. The Applicant will charge for these expenses in a matter and at rates consistent with charges made generally to the Applicant's other clients, and consistent with such charges generally acceptable in this district.

17. The Applicant's consultants working on this case are familiar with the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules, and shall comply with them.

18. I am familiar with the Uniform Texas Rules for Complex Chapter 11 Cases and acknowledge that, in accordance with Exhibit H Section III of such rules, Parkman Whaling will only submit expenses or requests for disbursements in accordance with the limits set forth therein.

19. I have read the Application accompanying this Affidavit and, to the best of my knowledge, information and belief, the contents of such Application are true and correct.

20. Affiant reserves the right to supplement this Affidavit based on information obtained following review of a comprehensive listing of all creditors of the Debtor.
